

211/2 Kerridge Street Kingston ACT

2 2 2

PLEASE NOTE: The photography is of an apartment that is exactly the same floorplan as Unit 211. The only difference is the floorboards are a light oak colour and the carpet is dark grey. All other features are the same.

"The Prince" at Kingston Foreshore offers an unrivalled waterfront position and lifestyle. Situated on the quiet side of the water, enjoy both close proximity to the action and peace and quiet.

This property presents as new, has a great floorplan with segregated bedrooms, integrated study nook, plenty of joinery and plenty of northern sunlight streams into the property.

The funky kitchen is a delight with stone benchtops, plenty of storage and dishwasher. Separate european laundry.
