2 2 2

Located in sought after Turner, this beautifully appointed property is only three months old and in brand new condition. With high end fixtures and fittings throughout, segregated bedrooms and bathrooms and a view through the gums to Black Mountain Tower, this property is a cut above the rest!

On the main floor is a bright, sunny gourmet kitchen with plenty of bench space and storage, and the spacious combined lounge/dining.

Upstairs, both bedrooms are generously proportioned. The master features built in wardrobe, luxury ensuite and a spectacular view. The second bedroom boasts plenty of built in wardrobing and an equally luxurious bathroom with a bath tub! Both bathrooms enjoy underfloor heating.
