

12/63A Torrens Street Braddon ACT

2 2 2

Terrific Torrens Street!

This lovely two bedroom apartment is located close to trendy Lonsdale Street and is positioned at the back of this boutique complex of just 12 apartments.

Sitting on the top floor, the property is private and secure, and has two secure basement car spaces and secure internal building access. The apartment enjoys a northerly aspect with sun streaming into the open plan living area.

The living zone flows out onto a large balcony which overlooks the garden. The floor plan works well to offer a bedroom and a bathroom on either side of the living areas. Both bedrooms have generous wardrobe space and enjoy a private, leafy outlook.

The kitchen is equipped with stainless steel appliances and has plenty of cupboard space.
